FRONT END DEVELOPER

I am a Front end developer with experience in **HTML, CSS, JavaScript, and Python**. I have knowledge of popular frameworks such as **React.js, NextJS** and I am always open to learning new technologies and languages to meet the requirements of different organizations and contribute to their success.

TECHNICAL SKILLS

Languages	: JavaScript, Python, HTML, CSS
Frameworks	: NextJS, Express, Node.js,Tailwind css, Bootstrap
Libraries	: React.js, Redux, React Router
Databases	: MongoDB
Dev Tools	: Visual Studio Code, Git, GitHub,Linux

EXPERIENCE

Web Developer <i>PathOr platforms PVT.LTD</i> Certificate Letter of Recommendation	NOV 2022 – JAN 2023 - Remote
---	---------------------------------

- Designed, built, and maintained highly reusable **JavaScript, React JS,Next JS, HTML, CSS and Bootstrap code**.
- Worked with **REST APIs** to retrieve and display data from databases
- Came up with UI and UX strategies based on our target goals
- Ensured that the website and UI is **optimized** and **responsive** for various devices. Used analytics to test client enjoyment.
